

March 2026

Year 3 End of Topic Celebration Egyptian Day Friday 20th March

Dear Parents/Carers,

To celebrate a successful term, and completing our Egyptian topic, we will be holding an Egyptian Topic Day on Friday 20th March.

During the day the children will take part in a variety of activities, including Egyptian crafts, art and games.

This will be a fun day for the children, an opportunity to celebrate all their hard work and progress they have made during the Spring Term. We would like to invite them to come into school dressed in an Egyptian costume for the day. Please do not feel obliged to buy a costume; homemade ones are just as good and sometimes even better! The images below are for inspiration.

Yours sincerely,

Year 3 team.
